

Welcome to Hayden Lakes!!!

Whether you are a new resident in the last year or a current resident that would like to meet our new neighbors:

Come join us at our “Welcome to Hayden Lakes Social”

Date: Saturday, November 9, 2024

Time: 10 – 11:30 am

Hayden Lakes Pavilion

Please RSVP to Welcome@haydenlakeshoa.org

We will be going over important things to know about the neighborhood, some of our amenities, which committees we have and most importantly, this will give you a chance to meet some of your neighbors.

Whether you plan on attending or can't make it, please email us at the welcome email above so that we can send you a contact form and the welcome packet. The contact form will sign you up to receive board emails and neighborhood email only, you will not receive any spam email.

Additionally, you can go onto the Hayden Lakes website www.haydenlakeshoa.org and get any information you need about our neighborhood. Click on resources to get the contact form, pool card, and architectural review forms.

Welcome to our wonderful neighborhood, we look forward to meeting you!
